COST ESTIMATE**

H.R. 432

**An act to designate the North/South Center as
the Dante B. Fascell North-South Center**

*As ordered reported by the Senate Committee on Foreign Relations
on March 23, 1999*

H.R. 432 would designate the North/South Center as the Dante B. Fascell North-South Center. The center is a Florida-based educational institution that promotes better relations between the United States, Canada, and the nations of the Caribbean and Latin America by bringing together scholars for programs of cooperative study, training, and research. H.R. 432 would change the name of the institution without affecting its purpose or programs, and CBO estimates that the bill would have no significant budgetary impact. Because the bill would not affect direct spending or receipts, pay-as-you-go procedures would not apply.

H.R. 432 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act, and would not affect the budgets of state, local, or tribal governments.

The estimate was prepared by Sunita D'Monte. This estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.
