H.R. 1982

A bill to name the Department of Veterans Affairs outpatient clinic located at 125 Brookley Drive, Rome, New York, as the “Donald J. Mitchell Department of Veterans Affairs Outpatient Clinic”

As ordered reported by the House Committee on Veterans’ Affairs on July 20, 2000

H.R. 1982 would name the veterans outpatient clinic located at 125 Brookley Drive, Rome, New York, as the “Donald J. Mitchell Department of Veterans Affairs Outpatient Clinic.” It also would require that any reference to such outpatient clinic in any law, regulation, map, document, record, or other paper of the United States be considered a reference to the clinic by the new name. CBO estimates that implementing the bill would have a negligible cost, subject to the availability of appropriated funds. Because the bill would not affect direct spending or receipts, pay-as-you-go procedures would not apply.

H.R. 1982 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
