

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

July 26, 2000

H.R. 4583

**A bill to extend the authorization for the Air Force Memorial Foundation
to establish a memorial in the District of Columbia or its environs**

As ordered reported by the House Committee on Resources on July 19, 2000

H.R. 4583 would extend until December 2, 2005, the authority to establish a memorial to the Air Force. The extension would give the Air Force Memorial Foundation (the site's sponsor) an additional five years to obtain the necessary permits for the project. Under current law, authority to construct the site will expire on December 2, 2000.

The prospective memorial is to be established with nonfederal funds, and therefore, extending the authority to establish it would not affect the federal budget. Because the legislation would not affect direct spending or receipts, pay-as-you-go procedures would not apply. H.R. 4583 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
