H.R. 3504

A bill to amend the Indian Self-Determination and Education Assistance Act to redesignate the American Indian Education Foundation as the National Fund for Excellence in American Indian Education

As ordered reported by the House Committee on Resources on May 5, 2004

H.R. 3504 would amend the Indian Self-Determination and Education Assistance Act to redesignate the American Indian Education Foundation as the National Fund for Excellence in American Indian Education. The bill would change the name of the foundation created by that act because it was determined that the name of the foundation had already been copyrighted for another foundation. Because the name of the foundation was specified in the law, a name change would require the new legislation.

CBO estimates that implementing H.R. 3504 would have no effect on the federal budget. H.R. 3504 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Paul Cullinan. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
