**H.R. 562**

**An act to authorize the government of Ukraine to establish a memorial on federal land in the District of Columbia to honor the victims of the manmade famine that occurred in the Ukraine in 1932-1933**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on March 15, 2006*

CBO estimates that enacting H.R. 562 would have no impact on the federal budget. Enacting the legislation would not affect direct spending or revenues. H.R. 562 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

H.R. 562 would authorize the government of Ukraine to establish a memorial honoring the men, women, and children who perished by famine under communist rule in Ukraine from 1932 to 1933. The legislation would require that the establishment of the memorial comply with the major provisions of the Commemorative Works Act. As a memorial gift from a foreign nation, the government of Ukraine would be responsible for constructing, maintaining, and preserving the memorial. No federal funds could be used for those purposes.
