S. 2150

Eugene Land Conveyance Act

*As ordered reported by the Senate Committee on Energy and Natural Resources
on May 24, 2006*

S. 2150 would direct the Secretary of the Interior to convey certain property in Oregon to the city of Eugene. CBO estimates that enacting S. 2150 would have no significant impact on the federal budget and would not affect revenues or direct spending.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on budgets of state, local, or tribal governments. Enacting this legislation would benefit the city of Eugene.

Under S. 2150, the Bureau of Land Management (BLM) would convey to Eugene, Oregon, for no consideration, about 12 acres of land in Lane County. Based on information provided by BLM, we estimate that the administrative costs of completing the conveyance would not be significant. Also, the land to be conveyed under S. 2150 generates no offsetting receipts that would be forgone if the bill is enacted.
