COST ESTIMATE**

H.R. 4166

**A bill to amend the Idaho Admission Act regarding the sale or lease
of school land**

As ordered reported by the House Committee on Resources on August 5, 1998

H.R. 4166 would amend the Idaho Admission Act to provide the state with greater flexibility in managing lands given to it by the federal government in 1890 and placed in an endowment to benefit public education. These changes would conform federal statute to recent amendments to the state constitution enacted by the Idaho State Legislature.

CBO estimates that enacting this bill would have no impact on the federal budget. Because H.R. 4166 would not affect direct spending or receipts, pay-as-you-go procedures would not apply. H.R. 4166 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.
