H.R. 3651

Utah National Guard Readiness Act

As ordered reported by the House Committee on Natural Resources on March 12, 2008

H.R. 3651 would direct the Bureau of Land Management (BLM) to convey, without consideration, about 430 acres of land in Utah to the state. The conveyed property would be used by Utah for activities of the state national guard.

CBO estimates that implementing H.R. 3651 would have no effect on the federal budget. The land to be conveyed to Utah is already reserved for military purposes of the U.S. Army and the Utah National Guard and does not produce income for the federal government.

H.R. 3651 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. Enacting this bill would benefit the state of Utah.
