**H.R. 462
Utah National Guard Readiness Act**

As ordered reported by the House Committee on Natural Resources on April 24, 2013

H.R. 462 would authorize the Secretary of the Interior to convey 420 acres of land to the state of Utah for the Utah National Guard. Because the land is currently withdrawn from commercial mineral development and disposal, CBO estimates that implementing this legislation would have no significant impact on the federal budget. Enacting H.R. 462 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 462 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. Enacting this bill would benefit the state of Utah.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
