

**CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE**

November 13, 1997

**S. 508**

**An act for the relief of Mai Hoa "Jasmin" Salehi**

*As passed by the Senate on November 8, 1997*

S. 508 would grant permanent residence to Mai Hoa Salehi. CBO estimates that enacting this legislation would have no significant impact on the federal budget. S. 508 could have a very small effect on fees collected by the Immigration and Naturalization Service, which are classified as direct spending, so pay-as-you-go procedures would apply. This act contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act of 1995 and would have no impact on the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Mark Grabowicz. This estimate was approved by Paul N. Van de Water, Assistant Director for Budget Analysis.
