

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

July 20, 2010

H.R. 5711

**A bill to provide for the furnishing of statues
by the territories of the United States
for display in Statuary Hall in the United States Capitol**

As ordered reported by the House Committee on Administration on July 14, 2010

H.R. 5711 would authorize the President to invite each territory of the United States (American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, the Commonwealth of Puerto Rico, and the United States Virgin Islands) to provide one statue of a deceased citizen known for distinguished civic or military service for placement in Statuary Hall in the United States Capitol. The bill would require each territory to pay the costs of providing a new statue. CBO estimates that implementing H.R. 5711 would have no significant impact on the federal budget. Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures would not apply.

H.R. 5711 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contacts for this estimate are Alan Eder and Matthew Pickford. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
