H.R. 7316 would make technical and conforming changes to several titles of the United States Code that affect the National Park Service and other recreation and preservation programs. Information from the Office of Law Revision Counsel indicates that the bill would make no substantive changes to the law; therefore, CBO estimates that enacting H.R. 7316 would not affect the federal budget.

The CBO staff contact for this estimate is Matthew Pickford. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
