

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

March 24, 2009

H.R. 1107

**A bill to enact certain laws relating to public contracts as title 41,
United States Code, “Public Contracts”**

As ordered reported by the House Committee on the Judiciary on March 18, 2009

H.R. 1107 would codify portions of title 41 of the United States Code, and would make conforming changes to various laws concerning public contracts. In restating existing law, the legislation would make technical changes to the law involving public contracts that would primarily affect organization, style, and terminology. CBO estimates that enacting H.R. 1107 would have no significant impact on the federal budget and would not affect direct spending or revenues.

H.R. 1107 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Matthew Pickford. This estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
