**S. 277  
Grand Teton National Park Extension Act of 2007**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on January 31, 2007*

S. 277 would authorize the Secretary of the Interior to accept the donation of about 50 acres of land in Wyoming. Once acquired, the property would become part of the Grand Teton National Park under the administration of the National Park Service. Subject to the availability of appropriated funds, CBO estimates that implementing S. 277 would cost less than \$500,000, mostly for surveys and appraisals. Enacting S. 277 would not affect revenues or direct spending.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would have no significant impact on the budgets of state, local, or tribal governments.
