Honorable Edward M. Kennedy  
Chairman  
Committee on Health, Education,  
Labor, and Pensions  
United States Senate  
Washington, DC 20510

Dear Mr. Chairman:

The Congressional Budget Office has reviewed S. 1011, a bill to change the name of the National Institute on Drug Abuse to the National Institute on Diseases of Addiction and to change the name of the National Institute on Alcohol Abuse and Alcoholism to the National Institute on Alcohol Disorders and Health, as ordered reported by the Senate Committee on Health, Education, Labor, and Pensions on June 27, 2007.

CBO estimates that enactment of this legislation would have no significant impact on the federal budget and would not affect direct spending or revenues. The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Tom Bradley.

Sincerely,

A handwritten signature in black ink that reads "Peter R. Orszag".

Peter R. Orszag
