H.R. 247

An act to designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the state of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives

*As ordered reported by the Senate Committee on Energy and Natural Resources
on July 25, 2007*

H.R. 247 would designate approximately 20 miles of trail around Waldo Lake in the Willamette National Forest in Oregon as the “Jim Weaver Loop Trail.” The Secretary of Agriculture would be required to install and maintain an interpretive sign at the trailhead of the Jim Weaver Loop Trail detailing the life and career of Congressman Weaver. CBO estimates that implementing H.R. 247 would not have a significant effect on the federal budget. Enacting H.R. 247 would not affect direct spending or revenues.

H.R. 247 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
