S. 3226
Abraham Lincoln Birthplace National Historical Park Act of 2008

*As reported by the Senate Committee on Energy and Natural Resources
on September 16, 2008*

S. 3226 would redesignate the Abraham Lincoln Birthplace National Historic Site in Kentucky as an Historical Park. CBO estimates that implementing the legislation would have no significant effect on the budget of the National Park Service, which administers the site. Any one-time costs to revise NPS brochures, maps, and signs to reflect the name change would be minimal because most such revisions would take place in conjunction with scheduled reprinting and other routine maintenance. Enacting the legislation would not affect direct spending or revenues.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
