

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

September 25, 1998

### **H.R. 2411**

#### **An act to provide for a land exchange involving the Cape Cod National Seashore and to extend the authority for the Cape Cod National Seashore Advisory Commission**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on September 23, 1998*

Based on information provided by the National Park Service, CBO estimates that implementing H.R. 2411 would have no significant impact on the federal budget. This legislation would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply. H.R. 2411 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

H.R. 2411 would provide for a land exchange at the Cape Cod National Seashore. Specifically, the legislation would convey about eight acres of federal land to Provincetown, Massachusetts, in exchange for approximately 11 acres of land outside the park. The act would modify the park boundary to include the added land. In addition, the act would extend the life of the Cape Cod National Seashore Advisory Commission by 10 years to September 26, 2008. The commission provides guidance to the Park Service at a current annual cost of less than \$5,000.

On May 29, 1998, CBO prepared an estimate for H.R. 2411, a bill to provide for a land exchange involving the Cape Cod National Seashore and to extend the authority for the Cape Cod National Seashore Advisory Commission, as ordered reported by the House Committee on Resources on May 21, 1998. The two versions of the legislation and the two estimates are identical.

The CBO staff contact for this estimate is Deborah Reis. This estimate was approved by Paul N. Van de Water, Assistant Director for Budget Analysis.
