H.R. 3607
National Youth Crime Prevention Demonstration Act

As ordered reported by the House Committee on the Judiciary on August 5, 1998

SUMMARY

H.R. 3607 would authorize the appropriation of \$5 million for each of fiscal years 1999 through 2003 to the Attorney General for annual grants to the National Center for Neighborhood Enterprise for crime prevention projects directed at youths. CBO estimates that implementing H.R. 3607 would result in additional discretionary spending of \$25 million over the 1999-2003 period, assuming appropriation of the authorized amounts. This legislation would not affect direct spending or receipts, so pay-as-you-go procedures would not apply.

H.R. 3607 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA) and would impose no costs on state, local, or tribal governments.

ESTIMATED COST TO THE FEDERAL GOVERNMENT

For the purposes of this estimate, CBO assumes that the authorized amounts will be appropriated by the start of each fiscal year and that outlays will follow the historical spending rates for similar grant activities. The estimated budgetary impact of H.R. 3607 is shown in the following table. The costs of this legislation fall within budget function 750 (administration of justice).

PAY-AS-YOU-GO CONSIDERATIONS: None.
