

**CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE**

June 23, 2004

**S. 155**

**A bill to convey to the town of Frannie, Wyoming, certain land  
withdrawn by the Commissioner of Reclamation**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on June 16, 2004*

This bill would convey all rights, title, and interest of the United States in approximately 37,500 square feet of land to the town of Frannie, Wyoming. CBO estimates that implementing S. 155 would have no significant impact on the federal budget. According to the Bureau of Reclamation, the federal land to be conveyed currently generates no significant receipts and is not expected to do so over the next 10 years. Hence, we estimate that conveying that land would not affect offsetting receipts (a credit against direct spending). Enacting S. 155 would not affect revenues.

S. 155 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local or tribal governments. Enacting this legislation would benefit the city of Frannie, Wyoming.

The CBO staff contact for this estimate is Julie Middleton. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
