

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

August 1, 2003

S. 714

A bill to provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes

*As ordered reported by the Senate Committee on Energy and Natural Resources
on July 23, 2003*

CBO estimates that enacting S. 714 would have no significant effect the federal budget. The bill would direct the Secretary of the Interior to convey, without consideration, 68.8 acres of federal land to Douglas County, Oregon. The county would use that land for recreational purposes. According to the Bureau of Land Management, the parcel to be conveyed currently does not generate significant receipts and is not expected to do so over the next 10 years. Hence, we estimate that enacting S. 714 would not significantly affect direct spending or revenues. We also estimate that the agency's administrative costs to complete the proposed conveyance would be negligible.

H.R. 714 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. This conveyance would be voluntary on the part of Douglas County, as would any costs incurred by the county to comply with the conditions established by the bill.

The CBO staff contacts for this estimate are Megan Carroll (for federal costs), and Marjorie Miller (for the state and local impact). This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
