Source: Congressional Budget Office.

November 21, 2007

1/ The savings for these programs differ from those estimated for the committee recommendations because of amendments that were adopted when the House passed the legislation.

2/ The House Budget Committee made scorekeeping adjustments that reduced estimated savings for agriculture commodity programs by \$291 million over the 2006-2015 period.

Notes: SCHIP = State Children's Health Insurance Program.

Items are listed in descending order of 10-year budgetary savings.
