H.R. 452

A bill to authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System

As ordered reported by the House Committee on Resources on November 16, 2005

H.R. 452 would direct the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum in St. Louis, Missouri, as a unit of the National Park System. Assuming the availability of appropriated funds, CBO estimates that carrying out the proposed study would cost about \$200,000 over the next three years. Enacting H.R. 452 would not affect direct spending or revenues.

The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.
