

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

August 15, 2006

H.R. 5414

**A bill to enact certain laws relating to public contracts as title 41,
United States Code, “Public Contracts”**

As ordered reported by the House Committee on the Judiciary on July 19, 2006

H.R. 5414 would revise and restate certain federal laws and would enact those provisions into law as title 41, United States Code. In restating existing law, the legislation would make technical changes to the law involving public contracts that would primarily affect organization, style, and terminology. CBO estimates that enacting this bill would result in no cost to the federal government and would not affect direct spending or revenues.

H.R. 5414 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Matthew Pickford. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
