

August 7, 2007

Honorable James L. Oberstar  
Chairman  
Committee on Transportation  
and Infrastructure  
U.S. House of Representatives  
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed the following bills as ordered reported by the House Committee on Transportation and Infrastructure on August 2, 2007:

- H.R. 2728, a bill to designate the station of the United States Border Patrol located at 25762 Madison Avenue in Murrieta, California, as the “Theodore L. Newton, Jr. and George F. Azrak Border Patrol Station”;
- and
- H.R. 2671, a bill to designate the United States courthouse located at 301 North Miami Avenue, Miami, Florida, as the “C. Clyde Atkins United States Courthouse.”

CBO estimates that enactment of those bills would have no significant impact on the federal budget and would not affect direct spending or revenues. Those bills contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matthew Pickford.

Sincerely,

A handwritten signature in black ink that reads "for Robert A. Gushkin".
