- a. H.R. 4684 would authorize the U.S. Mint to produce silver medals in calendar years 2011 and 2012 in commemoration of the 10th anniversary of the September 11, 2001, terrorist attacks. The legislation would authorize a \$10 surcharge on the sale of those coins (a credit against direct spending), which would be paid to the National September 11 Memorial & Museum at the World Trade Center (an increase in direct spending).
