and Infrastructure
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed H.R. 5128, a bill to designate the United States Department of the Interior Building in Washington, District of Columbia, as the “Stewart Lee Udall Department of the Interior Building,” as ordered reported by the House Committee on Transportation and Infrastructure on April 29, 2010.

CBO estimates that enactment of this legislation would have no significant impact on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you go procedures would not apply. The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matthew Pickford.

Sincerely,

A handwritten signature in blue ink that reads "Douglas W. Elmendorf".
