Note: This legislation would authorize the appropriation of additional funds for the State Revolving Fund (SRF) for the drinking water program, which is administered by the Environmental Protection Agency. Enacting this legislation also would restrict how states could leverage the SRF funds through the issuance of additional general obligation bonds or the use of earnings on the SRF for the payment of principal and interest on general obligation bonds. The Joint Committee on Taxation estimates that such restrictions would result in a net increase in revenue. Enacting this legislation would not affect direct spending.
