Note: H.R. 6130 would give the Secretary of Health and Human Services additional authority to exclude individuals from participation in federal health care programs if they are affiliated with an entity that has been sanctioned. Enacting this legislation could affect direct spending for Medicare and Medicaid. CBO expects the bill would result in the exclusion of few individuals who would not be excluded under current law. CBO estimates that enacting H.R. 6130 would have no significant budgetary impact.
