- a. Section 6 would authorize the Coast Guard to extend for one year certain expiring marine licenses, certificates of registry, and merchant mariner documents. The authority to provide such extensions would apply through December 11, 2011. Because the extensions would delay the collection of fees charged for renewal of such documents, enacting this provision could reduce offsetting receipts (an offset against direct spending) over the next year or two. Some of those receipts may be spent without further appropriation, however, to cover collection expenses. CBO estimates that the net effect on direct spending from enacting this provision would be less than \$500,000 in each of fiscal years 2011 and 2012.
