

Supplemental Security Income

Re-estimate of the President's FY 2011 Budget

March 03, 2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2011-15	2011-20
----------------	------	------	------	------	------	------	------	------	------	------	---------	---------

Estimates of the Non-Scoreable Effects of the Proposed Funding for Social Security Program Integrity (by FY in Millions of \$)

Function 600 - Supplemental Security Income	-3	-17	-47	-82	-117	-162	-177	-173	-184	-166	-267	-1,129
---	----	-----	-----	-----	------	------	------	------	------	------	------	--------

Includes effects on Supplemental Security Income benefits from ten years of extra administrative funding to conduct additional program-integrity activities. Medicaid effects appear in budget function 550. Some of the additional administrative funding would allow additional program-integrity activities in Social Security Disability Insurance (SSDI). SSDI effects appear in budget function 650 and Medicare effects appear in budget function 570.
