The nonemergency totals include 2011 scoring from 2010 supplemental appropriations acts (P.L. 111-212, P.L. 111-224, P.L. 111-230). The House and Senate Budget Committees have differing interpretations of the emergency designation for certain accounts in P.L. 111-212. The Senate interpretation is incorporated in the nonemergency amounts of this table. The table excludes the 2011 scoring for emergencies in the 2010 enacted supplementals, as amended by this Act (see footnote 2). Those totals are: BA = \$3,217 million, outlays = \$26,238 million.

1. Per section 1110 of Division B, these totals also incorporate amounts designated for overseas deployment activities.
2. Section 2028 of this Act provides an emergency designation for section 902 of P.L. 111-212 (the Supplemental Appropriations Act, 2010). This allows the House and Senate Budget Committees to have the same interpretation of the emergency designation for section 902.
