H.R. 1934

A bill to improve certain administrative operations of the Library of Congress, and for other purposes

As ordered reported by the Committee on House Administration on May 25, 2011

H.R. 1934 would allow the Librarian of Congress to sell or dispose of obsolete property and use the proceeds of the sale to acquire new, replacement property.

CBO expects that enacting H.R. 1934 could affect direct spending by allowing the Librarian to sell property and spend the proceeds; therefore, pay-as-you-go procedures apply. However, CBO estimates that the net effects would be insignificant for each year, and in total over the 2012-2021 period. Enacting the bill would not affect revenues.

H.R. 1934 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Christina Hawley Anthony. This estimate was approved by Peter H. Fontaine, Assistant Director for Budget Analysis.
