

**CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE**

July 26, 2012

**H.R. 1950**  
**A bill to enact title 54, United States Code,**  
**“National Park System,” as positive law**

*As ordered reported by the House Committee on the Judiciary on July 10, 2012*

H.R. 1950 would make technical and conforming changes that establish title 54 of the United States Code as the sole title related to the National Park System. Information from the Office of Law Revision Counsel indicates that the bill would make no substantive changes to the law; therefore, CBO estimates that enacting H.R. 1950 would have only a minimal impact on the federal budget. Enacting H.R. 1950 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 1950 contains no governmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Martin von Gnechten. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
