H.R. 2087

**A bill to remove restrictions from a parcel of land
situated in the Atlantic District, Accomack County, Virginia**

*As ordered reported by the House Committee on Natural Resources
on November 17, 2011*

H.R. 2087 would remove certain deed restrictions from a parcel of land in eastern Virginia. The National Park Service conveyed the 32-acre parcel to Accomack County under the condition that the land be used for park and recreational purposes. The bill would remove that restriction to allow the county to use the land for other purposes.

The affected land is currently under the jurisdiction of Accomack County and does not produce any income for the federal government. Because, under current law, CBO expects that the land would remain under the county's jurisdiction for the next 10 years, we estimate that implementing the legislation would have no significant impact on the federal budget. Enacting H.R. 2087 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 2087 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.
