**H.R. 2336
York River Wild and Scenic River Study Act of 2011**

*As ordered reported by the House Committee on Natural Resources
on November 17, 2011*

H.R. 2336 would require the National Park Service (NPS) to study a segment of the York River in southwest Maine for potential addition to the Wild and Scenic Rivers System. Based on information provided by the NPS, CBO estimates that implementing the legislation would cost less than \$250,000 over the next three years, assuming availability of appropriated funds. Enacting H.R. 2336 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 2336 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
