

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

July 9, 2014

H.R. 4527

**A bill to remove a use restriction on land formerly a part of
Acadia National Park that was transferred to the town of
Tremont, Maine, and for other purposes**

*As ordered reported by the House Committee on Natural Resources
on June 19, 2014*

H.R. 4527 would authorize additional uses of land that was conveyed to the town of Tremont, Maine, by the National Park Service (NPS) in 1951. As a condition of the original conveyance, the lands could be used only for school purposes. H.R. 4527 would remove the use restriction. Based on information provided by NPS, CBO estimates that implementing the legislation would have no effect on the federal budget. Enacting the legislation would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 4527 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Martin von Gnechten. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
