H.R. 5086

A bill to amend the National Trails System Act to direct the Secretary of the Interior to conduct a study on the feasibility of designating the Chief Standing Bear National Historic Trail, and for other purposes

*As ordered reported by the House Committee on Natural Resources
on November 19, 2014*

H.R. 5086 would require the National Park Service (NPS) to study the feasibility of designating the Chief Standing Bear Trail in the states of Nebraska and Oklahoma as a national historic trail. Based on information provided by the NPS, CBO estimates that implementing the legislation would cost about \$500,000 over the next year or two, assuming availability of appropriated funds. Enacting H.R. 5086 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 5086 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
