**S. 304  
Natchez Trace Parkway Land Conveyance Act of 2013**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on March 14, 2013*

S. 304 would require the National Park Service (NPS) to convey about 67 acres of property in the Natchez Trace Parkway to the state of Mississippi. The legislation also would adjust the boundaries of the parkway to include 10 additional acres. Based on information provided by NPS, CBO estimates that implementing the bill would have no significant impact on the federal budget. Enacting S. 304 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

S. 304 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Martin von Gnechten. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
