Sources: Congressional Budget Office and the staff of the Joint Committee on Taxation.

Notes:

Assumes enactment by July 1, 2015.

For direct spending, a positive number indicates an increase in outlays; for revenues, a negative number indicates a reduction in revenues.

CBO has not estimated the budgetary effects that implementing H.R. 1892 might have on future spending subject to appropriation.

Components may not sum to totals because of rounding.
