H.R. 2832

A bill to make technical amendments to update statutory references to certain provisions classified to title 52, United States Code

As ordered reported by the House Committee on the Judiciary on December 2, 2015

H.R. 2832 would update the citations in the law classified as Title 52 of the United States Code. That title includes all of the laws governing voting and elections.

Because the changes to the law are technical, CBO estimates that enacting H.R. 2832 would have no budgetary impact.

Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 2832 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2026.

H.R. 2832 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Matthew Pickford. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
