Section 410 would temporarily reduce the fee that the Department of Veterans Affairs (VA) pays educational institutions to report certain information on enrollees who are using VA education benefits at those institutions.

Section 407 would temporarily extend VA's authority to help up to 30 disabled veterans a year acquire housing with special features designed to accommodate a lack of or difficulty with mobility.

Section 204 would temporarily extend the authority for VA to provide vocational and rehabilitation benefits to certain military personnel with severe injuries or illnesses while those personnel are on active duty, rather than delay the delivery of those benefits until they are discharged from the military.

Sections not listed would not affect direct spending.
