**H.R. 3842  
Federal Law Enforcement Training Centers Reform  
and Improvement Act of 2015**

*As ordered reported by the House Committee on Homeland Security  
on November 4, 2015*

H.R. 3842 would aim to improve the effectiveness of the Federal Law Enforcement Training Center (FLETC) in the Department of Homeland Security; FLETC provides training to law enforcement agencies. FLETC is currently carrying out many activities similar to those required by the bill, and CBO estimates that implementing H.R. 3842 would not significantly affect spending by the center.

Because enacting the legislation would not affect direct spending or revenues, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 3842 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2026.

H.R. 3842 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Mark Grabowicz. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
