**H.R. 4202
Fort Ontario Study Act**

As ordered reported by the House Committee on Natural Resources on June 15, 2016

H.R. 4202 would require the National Park Service (NPS) to conduct a special resource study of Fort Ontario, a state historic site in Oswego, New York. (Fort Ontario was used during the French and Indian War, the Revolutionary War, and the War of 1812.) The study would determine whether the site meets NPS criteria for inclusion in the National Park System. Based on information provided by the NPS, CBO estimates that implementing the legislation would cost about \$250,000; such spending would be subject to the availability of appropriated funds.

Enacting H.R. 4202 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 4202 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

H.R. 4202 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Marin Burnett. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
