COST ESTIMATE**

**H.R. 4564
Robert Emmet Park Act of 2016**

*As ordered reported by the House Committee on Natural Resources
on September 8, 2016*

H.R. 4564 would rename a small property owned by the National Park Service (NPS) in Washington D.C. as “Robert Emmet Park,” in honor of that historical figure. The bill also would authorize the NPS to post signage on or near the park that includes information about Robert Emmet.

Based on the cost of similar tasks, CBO estimates that the cost for the NPS to update signage for the park would be insignificant; such spending would be subject to the availability of appropriated funds.

Enacting the legislation would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 4564 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

H.R. 4564 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
