Honorable Bill Shuster
Chairman
Committee on Transportation
and Infrastructure
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed the following bills ordered reported by the House Committee on Transportation and Infrastructure on September 14, 2016:

- H.R. 5011, a bill to designate the Federal building and United States courthouse located at 300 Fannin Street in Shreveport, Louisiana, as the “Tom Stagg United States Courthouse”; and
- H.R. 5873, a bill to designate the Federal building and United States courthouse located at 511 East San Antonio Avenue in El Paso, Texas, as the “R.E. Thomason Federal Building and United States Courthouse.”

CBO estimates that enacting the bills would have no significant effect on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO also estimates that enacting the bills would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

The bills contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

Honorable Bill Shuster
