

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

October 14, 2016

**H.R. 5829
ADVISE Now Act**

*As ordered reported by the House Committee on Science, Space, and Technology
on September 21, 2016*

H.R. 5829 would require the Environmental Protection Agency (EPA) and its Science Advisory Board to establish a standing committee related to agriculture within 30 days of enactment of the bill. Because EPA recently created such a committee and completed selection of its membership, CBO estimates that implementing the bill would not affect the budget.

Enacting H.R. 5829 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 5829 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

H.R. 5829 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Jon Sperl. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
