

CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE

April 9, 2015

**H.R. 901**  
**Eliminating Pornography from Agencies Act**

*As ordered reported by the House Committee on Oversight and Government Reform  
on March 25, 2015*

H.R. 901 would require the Office of Management and Budget to issue guidelines to prohibit federal computers from accessing pornographic and other explicit websites. CBO estimates that implementing the bill would not have a significant cost because the use of government property for unauthorized purposes is already prohibited. Enacting the bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 901 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Matthew Pickford. The estimate was approved by Theresa Gullo, Assistant Director for Budget Analysis.
