

**CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE**

August 18, 2015

**S. 1483**

**James K. Polk Presidential Home Study Act**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on July 30, 2015*

S. 1483 would direct the Secretary of the Interior to study the suitability and feasibility of designating the home of James K. Polk in Columbia, Tennessee, as a unit of the National Park System (NPS). Based on information from NPS, CBO estimates that carrying out the proposed study would cost about \$200,000; such spending would be subject to the availability of appropriated funds. Enacting S. 1483 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

S. 1483 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Marin Burnett. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
