Keith Hall, Director

September 30, 2016

Honorable Rob Bishop
Chairman
Committee on Natural Resources
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed S. 3028, the Daniel J. Evans Olympic National Park Wilderness Act, as ordered reported by the House Committee on Natural Resources on September 22, 2016.

CBO estimates that enacting S. 3028, which would rename the Olympic Wilderness, would have no significant effect on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting the legislation would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

S. 3028 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

On August 4, 2016, CBO transmitted a cost estimate for S. 3028, as passed by the Senate on July 14, 2016. The two versions of the act are similar and CBO's estimates of their budgetary effects are the same.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Jon Sperl.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith Hall".

Keith Hall
